Subject: Approval for amendment of certain clauses in the Request for Proposal (RPF) for Rehabilitate, Operate, Maintain and Transfer (ROMT) Contractual Arrangement of seven (7) Small Hydro Power Stations in Mizoram and for extension of bid submission and opening dates.

Reference: No.6/120/2018-EC(PC)/51 dt.13.10.2025

Sir,

With reference to the above, I am directed to convey approval of the Government for extension of bid submission and opening dates for the work *"Rehabilitate, Operate, Maintain and Transfer (ROMT) Contractual Arrangement of seven (7) Small Hydro Power Stations in Mizoram"* by 15 days from the date of issuance of order, along with amendment of certain clauses in the Request for Proposal (RPF) as detailed below:

1. Clause 2.1(i) – Information and Instructions to Bidders

"The bidding document is for a single bid covering all seven (7) packages. Bidder shall submit one bid proposal quoting separately for each package as prescribed. Evaluation will be carried out package-wise, and the scores obtained by each bidder across all packages will be aggregated. The bidder securing the highest total combined score across all seven (7) packages shall be declared the successful bidder and shall be awarded the contract for all the packages collectively."

2. Clause 5.2(i) – Evaluation of Bids

"Evaluation of bid shall be carried out package-wise and the total combined score across all packages shall then be computed for each bidder. The bidder securing the

highest total combined score shall be declared as the successful bidder and awarded the contract for all seven (7) packages collectively."

3. Clause 3.4 - Financial Eligibility

"The bidder should have a minimum average turnover of Rs. 15 Crores for 5 years ending on 31.03.2024. The bidder shall also provide proof of at least Rs. 50 Crore (Rupees fifty crore only) as lien-free fund, duly certified by a scheduled commercial bank, to ensure availability of adequate financial resources for renovation, operation, and maintenance of the seven (7) Small Hydro Power Projects during the contract period."

4. Clause 3.5 - Technical Experience

"The bidder should have experience in construction/renovation and successful commissioning of Small Hydro Power Projects in the North Eastern region either as a developer, or a contractor, or as a consultant (for entire scope of work). The bidder should have completed and currently be operating or maintaining at least one (1) Small Hydro Power Project of not less than 15 MW capacity in the North Eastern Region. The said project should have been in continuous operation for a minimum period of six (6) months prior to the date of bid submission. Documentary proof such as operation reports, performance certificates, or energy generation data shall be furnished along with the bid."

5. Clause 3.8 (New Clause)

"The bidder shall demonstrate their technical and financial capabilities and experience through an offline PowerPoint presentation as part of the technical evaluation."

This is issued with the approval of the Hon'ble Chief Minister, Mizoram.

Yours faithfully,
