To
The Engineer-in-Chief,
Power & Electricity Department,
Govt. of Mizoram,
New Secretariat Complex,
Khatla, Aizwal - 796001,
Mizoram.

Introduction:

We have reviewed the accompanying unaudited Financial Statement of **Power & Electricity Department, Govt. of Mizoram for the quarter period ended 31st March, 2026** ("the Statement").

This Statement is the responsibility of the Power & Electricity Department, Govt. of Mizoram and has been approved by the Department and has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standards issued by ICAI and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

Management is responsible for the preparation and fair presentation of this interim financial information in accordance with applicable Accounting Standards and other accounting procedure and policies. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review:

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Department's personnel and analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Conclusion:

Based on our review conducted as above, nothing has come to our attention (subject to the emphasis of the matter as mentioned below) that causes us to believe that the accompanying unaudited financial statement has not been prepared in accordance with applicable Accounting Standards as amended, read with relevant rules issued there under and other recognized accounting practices and policies.
