The Commission shall however deduct a processing fee of Rs. 25,000 from the application fee/Licensing fee. The original application, its enclosures and a statement showing reasons for rejection shall be handed over to the applicant along with a draft/cheque for the balance amount.

CHAPTER-4

GENERAL TERMS AND CONDITIONS OF LICENCE

18 Term

The Trading Licence shall come into force on the date to be mentioned by the Commission in the order granting the Licence and subject to the terms and conditions of the grant of Licence and shall remain in force for the period of twenty five years unless formally revoked by the Commission.

Provided that any Intra-State Trading Licensee, who has its Inter-State Trading Licence revoked by the Central Electricity Regulatory Commission shall no longer be permitted to conduct trading of electricity in the State of Manipur/Mizoram. At the same time, the Intra-State Trading Licence shall also be deemed as revoked.

19 Obligations Licensee

The Trading Licensee shall have understanding of Generation availability, Plant Load Factor, Transmission availability, Extra Transmission Capacity and Scheduling of Generation and demand etc. including the technical capability and resources to coordinate with Regulatory Commissions, State Transmission Utility, Central Transmission Utility, Central Electricity Authority and State/Regional Load Despatch Centres, agencies for metering, billing, revenue realization and energy accounting and capabilities adequate to manage technical, market and commercial functioning with each of the interacting player in the grid along with updated awareness or rules, codes and regulations enforced in the industry by the Commission or the Government in order to handle the intended volume of Intra-State trade. For the said purpose the Licensee shall place employee profile capable of handling the said specific functions efficiently besides all the required infrastructure.

Therefore, the Licensee shall be subject to the following obligations:

- (a) The Licensee shall increase his net worth, subject to provisions of clause 4, if the volume of trade moves from a lower category to a higher category or exceeds the permitted trade volume within the same category and such change shall be decided based on the volume of electricity traded as on 31st March of each year. The Licensee shall keep the Commission informed of such changes;

Provided that the Licensee shall not be construed to have exceeded the permitted trade volume or moved to higher category until excess of traded electricity is within ten percent of the traded volume/month permitted by the Commission;

Provided further that such excess shall be attributed to unscheduled interchange and explainable exceptional circumstances.

- (b) The Trading margin for the Intra-State Trading fixed by the Commission, from time to time, shall be applicable to the Licensee.
- (c) The Licensee shall be governed by the technical requirements, capital adequacy requirement and creditworthiness specified by the Commission in these Regulations, for being an electricity Licensee and shall upgrade these technical and capital adequacy requirements including staff, when the volume of trading increases.
- (d) The Licensee shall establish adequate communication facilities like telephone, fax, computer, internet facilities, before undertaking the trading.
- (e) The Licensee shall render all assistance to any person authorized by the Commission for carrying out his duties relating to the licence.
- (f) The trading shall be carried out bilaterally between the parties by entering into appropriate contracts. Necessary safeguards with regard to supply of electricity through trading, or payment for the electricity through the letters of credit or with any other superior instrument.
- (g) The Licensee shall pay the licence fee specified under these Regulations in accordance with the time-schedule specified hereunder.
- (h) The Commission may issue such directions as it considers appropriate to a trading Licensee if such Licensee enters into any agreement leading to abuses of its dominant position or enters into a combination, which is likely to cause or causes an adverse effect on competition in electricity industry, and the Licensee shall comply with such directions.

20 Compliance with Laws, Rules and Regulations

- (1) The Trading Licensee shall comply with the provisions of the Act, Rules, Regulations, Orders and Directions issued by the Commission from time to time and the provisions of all other applicable laws.
- (2) The Trading Licensee shall act in accordance with these General Terms and Conditions unless the Trading Licensee is exempted from any provisions of these

general conditions at the time of the grant of Licence or otherwise, it specifically obtains the approval of the Commission for any deviation there from.

- (3) Notwithstanding anything contained in clauses 5 and 10 of Regulation 8 and Regulation 20 of these Regulations, the Deemed Licensees under Section 14 of the Act entitled to undertake Intra-State Trading in electricity shall not be required to meet the technical or financial requirements as specified in the above clauses including the required capital adequacy norm and credit worthiness till the time allowed by the Commission.
- (4) The Trading Licensee shall duly comply with and undertake all activities consistent with the Commission's Electricity Grid Code, Electricity Supply Code and other codes and standards, orders and directions of the National Load Despatch Centre, Regional Load Despatch Centre and other statutory authorities issued for the discharge of their functions under the Act.

21 Payment of Annual Licence Fees

- (1) The Licensee shall pay to the Commission non-refundable annual Licence fee as laid down in Schedule-I of JERC (M&M) (Fees, Fines and Charges) Regulations, 2010, by means of a Demand Draft drawn on SBI, Aizawl, in favour of the Secretary/Assistant Secretary, Joint Electricity Regulatory Commission for the States of Manipur and Mizoram within seven days of receiving information as per clause 16.2 about grant of Licence.
- (2) For the period between the date of commencement of commercial operation and end of the financial year, Licence fee shall be payable on pro rata basis for the number of days.
- (3) The Licence fee for the subsequent years starting from the first day of April shall be paid in full before the start of the year. In case the Licensee fails to pay to the Commission the Licence fee specified above or a part thereof, the Licensee shall be liable to pay late payment surcharge on the outstanding amount at a simple interest at the rate of 1% per month or a part thereof, calculated from the due date for the period the Licence fee or a part thereof remains unpaid.
- (4) Notwithstanding the liability of the Licensee to pay the late payment surcharge as aforesaid, the delay in payment of annual licence fee or a part thereof, shall be construed as breach of the terms and conditions of the licence rendering the licence liable to be revoked on this ground alone.

- (5) The Trading Licensee shall be entitled to take in to account any fee paid by it under this Regulation 21 as an expense in the determination of aggregate revenues to be charged to the tariffs, but shall not take into account any late payment charges paid pursuant to this clause.

22 Duties of a Trading Licensee

- (1) The Trading Licensee shall:
- (a) have in place all agreements or arrangements for the purchase and sale of electricity, and all necessary authorizations as required by the Trading Licence to be able to perform its obligations under such agreements;

- (ii) in respect of the Accounting Statements prepared, an Auditor's report for each financial year, stating whether in their opinion these statements have been properly prepared in accordance with this clause and give a true and fair view of the revenues, costs, assets liabilities, reserves and provisions of, or reasonably attributable to such businesses to which the statements relate; and
 - (iii) a copy of each Half Yearly profit and loss account not later than three months after the end of the period to which it relates, and copies of the Accounting Statements and Auditor's report not later than six months after the end of the financial year to which they relate.
- (3) The Trading Licensee shall not normally change the basis of charge or apportionment or allocation or revenues or expenses in relation to the preparation of the Accounting Statements in respect of a financial year from those applied in respect of the previous financial year, without prior approval of the Commission. Any change, if proposed, on the basis of charge or apportionment of revenues or expenses shall be consistent with the provisions of the Companies Act, 1956, prevailing Accounting Standards or Rules and any guidelines issued by the Commission in this regard.
- (4) Where, in relation to the Accounting Statements in respect of a financial year, the Trading Licensee has changed the basis of charge or apportionment or allocation of revenues or expenses from those adopted for the immediately preceding financial year, the Trading Licensee shall, if directed by the Commission, (in addition to preparing Accounting Statements on the basis which it has adopted), prepare and deliver to the Commission such Accounting Statements on the basis which it applied in respect of the immediately preceding financial year.
- (5) Accounting Statements under clause 2 above shall, unless otherwise approved or directed by the Commission:
 - (a) be prepared and published with the Annual Accounts of the Trading Licensee and shall be consistent with the provisions of the Companies Act, 1956, the Accounting Standards or Rules and any guidelines issued by the Commission in this regard,
 - (b) be prepared in the form as the Commission may stipulate from time to time in the Terms and Conditions of Tariff Regulations of the Commission.

- (6) The references to costs or liabilities of, or reasonably attributable to Licensed Business or Other Business shall be construed as excluding taxation, and capital liabilities which do not relate principally to such Business and interest thereon.
- (7) The Trading Licensee shall ensure that the Accounting Statements in respect of each financial year prepared under clause 2 above and the Auditor's report in respect of each financial year are published in such manner as is provided in the Companies' Act and are made available to any person requesting them at a price no exceeding the reasonable cost of duplicating them.
- (8) Any person authorized by the Commission shall be entitled to inspect and verify the accounts of the Trading Licensee and the Licensee shall render all necessary assistance to such authorized person.

24 Furnishing Information to the Commission

- (1) The Trading Licensee shall duly maintain such information as the Commission may direct under Section 128 of the Act. The Trading Licensee shall furnish to the Commission without undue delay such information, documents and details related to the Licensed Business or any Other Business of the Trading Licensee, as the Commission may require from time to time for its own purposes or for the purposes of the Government of India, State Government, the Central Commission and/or the Central Electricity Authority, the State Trading Utility and the Regional and State Load Despatch Centres.
- (2) The Trading Licensee shall furnish the information as may be required from time to time to monitor the Licensee's performance and compliance of the terms and conditions of the Licence and any other legislative or regulatory requirement in proforma provided in Appendix-4 of these Regulations for submission of information.

Provided that the information in the prescribed Form shall be furnished to the Commission and State Load Despatch Centre as the case may be, on a weekly basis.

Provided further that the State or Regional Load Despatch Centres, as the case may be, shall verify the quantum of energy traded, as indicated in the reports submitted by the Trading Licensee and submit a report to the Commission.

- (3) The Trading Licensee shall not be required to publish the tariff in an agreement in order to ensure the confidentiality of commercial arrangements between the Trading Licensee and its customers.

- (4) The Trading Licensee shall bring to the notice of the Commission as soon as possible of the occurrence of any other incident which materially affects any part of its trading activities and in any event, by not later than seven days from the date of such occurrence. The Trading Licensee shall submit a report to the Commission giving full details of the facts within the knowledge of the Trading Licensee regarding the incident and its cause.
- (5) The Trading Licensee shall immediately inform the Commission about any incident restriction it from meeting its obligation under the Licence granted including any act of omission or commission by others and steps taken by the Trading Licensee to mitigate the effect of such incident.
- (6) The Commission may by order, after providing an opportunity of hearing, direct the Trading Licensee to provide such amount of compensation as the Commission may direct to persons who are affected or prejudiced by any act of commission, omission or negligence on the part of any of the employees or agents of the Trading Licensee.
- (7) The Trading Licensee shall furnish the performance details on a monthly basis submitted each quarter to the Commission in the format prescribed in Appendix-5, appended to these Regulations by 15th Day of the month or as may be decided by the Commission from time to time.

25 Responsibilities of Trading Licensee

- (1) The Licensee shall be responsible to the Commission, the consumers and others concerned in the matter of supply of electricity to his consumers notwithstanding the default of Distribution Licensee, if any.
- (2) The Licensee shall always keep in his office adequate number of copies of the updated Electricity Supply Code and the Terms and Conditions of Supply and shall, on demand, sell such copies to any applicant at a price not exceeding the normal photocopying charges.
- (3) The Trading Licensee shall not without the prior approval of the Commission:
 - (a) Acquire any beneficial interest in any Generating Company of Generating Station; or
 - (b) Engage in the business of electricity distribution.

26 Capital Adequacy, Credit worthiness and Other Norms

- (1) The Trading Licensee shall maintain at all times the capital adequacy and net worth sufficient to cover the maximum trading volume over an average settlement

period of 30 days (one month) subject to the minimum requirements set out in clause 10 of Regulation 8 of these Regulations.

- (2) The Trading Licensee shall increase his net worth if the volume of trade moves from a lower category to a higher category and the change of category shall be decided based on the volume of electricity traded as on the last day of each month during the year, and of which the Licensee shall keep the Commission informed of his moving from one category to the other and subsequent changes in the net worth.
- (3) The Trading Licensee shall make reasonable endeavour to maintain investment grade credit rating from an independent Credit Rating Agency throughout the period of the Licence and shall provide the Commission with the details of any changes thereon.
- (4) The Trading Licensee shall maintain the technical capability and resources as set by the Commission in Regulation 3&4 and provide the Commission with the details of any changes thereon and justify that the capability is adequately maintained to cater to the volume of trade undertaken by him.
- (5) The non-maintenance of the technical and financial parameters as per this Regulation shall amount to a material breach of the obligations of the Trading Licensee.
- (6) The Trading Licensee shall also undertake such studies as the Commission may direct it to undertake from time to time in regard to the trading activities and any other matter concerning the Trading Business that the Commission considers necessary in the public interest. The Commission at its own discretion may require the submission of a report to be prepared by an independent person on the activities of the Trading Licensee at the cost and expense of the Trading Licensee.
- (7) The Trading Licensee shall submit a Business Plan within three months of Trading Licence coming in force for such period as the Commission may direct and shall update such plan annually. The Business Plan shall contain year wise turnover projected profit and loss account, projected balance sheets, projected cash flow statements and projected important financial parameters.
- (8) The Commission may at any time require the Trading Licensee to comply with the provisions under these Regulations in a manner, the Commission may direct and the Trading Licensee shall be obliged to comply with the same.

CHAPTER-5

SPECIAL TERMS AND CONDITIONS OF LICENCE

27 Amendment of Licence

- (1) The General Conditions of Licence in Chapter IV may be altered or amended by the Commission at any time, if it considers necessary and proper to do so in the public interest, in exercise of powers under Section 18 of the Act.

Provided that no such alterations or amendments shall be made except with the consent of the Licensee unless such consent has, in the opinion of the Commission, been unreasonably withheld.

- (2) In case, the Licensee wishes to amend the Licence conditions, the Licensee shall submit application for it in such form as may be directed for the purpose by the Commission.
- (3) The application shall be accompanied by a statement of the proposed amendment and shall be supported by affidavit as provided in Chapter 3 of these Regulations and applicable fee as prescribed by the Commission.
- (4) The applicant shall, within seven days from the date of admission of the application for amendment, publish a public notice of the application filed giving a brief statement of the amendments proposed, the reason for the proposed amendments, the effect of the amendments proposed on the discharge of the functions of the Licensee under the Licence granted and the consumers, the alternate arrangement, if any, proposed for such discharge of the functions and such other particulars as the Commission may direct, for hearing.
- (5) The public notice under clause 4 above shall give the addresses of the officers at which the application for amendment may be inspected and copies of the application and the documents can be purchased and shall also state that every local authority, utility or a person, desirous of making any representation with reference to the application to the Commission, may do so by a letter addressed to the Commission, within thirty days from the date of publication.
- (6) In the event the Commission proposes to amend the terms and conditions of the Licence granted to a Licensee, the Commission shall publish a public notice of the proposed amendments giving a brief statement of the amendments proposed, the reasons for the proposed amendments, the effect of the amendments proposed on the discharge of the functions of the Licensee under the Licence granted and the

consumers, the alternative arrangement, if any, proposed for discharge of the such functions and such other particulars as the Commission may consider appropriate.

- (7) The Commission shall not make any alterations or amendment to Licence conditions whether initiated by the Licensee or by the Commission unless all suggestions or objections received within thirty days from the date of the first publication of the notice in clauses 5 and 6 above have been considered by the Commission, and subjected to hearing.
- (8) Unless otherwise specified in writing by the Commission, the procedure specified in these Regulations for grant of Licence, in so far it can be applied, shall be followed while dealing with an application for amendment of the Licence.

28 Revocation of Licence

- (1) Subject to the provisions of Section 19 of the Act and the Regulations framed there under, the Commission may, at any time initiate proceedings suo-moto, or on receiving any complaint or information from any person against the Trading Licensee for revocation of the Trading Licence and if satisfied in such proceedings on the following grounds for revocation duly considering the public interest, revoke the Trading Licence:
 - (a) where the Trading Licensee in the opinion of the Commission, makes willful and prolonged default in doing anything required of him by or under this Act or the rules or Regulations made thereafter;
 - (b) where the Trading Licensee violates any of the terms or conditions of his Licence the breach of which is expressly declared by such Licence to render it liable to revocation;
 - (c) where the Trading Licensee fails, within the period fixed in this behalf by his Licence, or any longer period which the Commission may have granted therefore:
 - (i) to show, to the satisfaction of the Commission, that he is in a position to fully and efficiently discharge the duties and obligations imposed on him by his Licence; or
 - (ii) to make deposits or furnish the security, or pay the fees or other charges required by his Licence.

- (d) where in the opinion of the Commission, the financial position of the Trading Licensee is such that he is unable to fully and efficiently discharge the duties and obligations imposed on him; and
 - (e) where the Trading Licensee has failed to comply with all the Regulations, codes, and standards and also orders and directions of the Commission or otherwise has committed an act which renders the Trading Licence revocable on any other ground specified in the Act or the Rules or Regulations framed there under.
- (2) The Commission shall give notice of the proceedings for the revocation of the Licence to the Licensee and to such other person, authority or body as the Commission may consider necessary.
 - (3) Subject to the provisions of Act, and the procedure contained therein, the inquiry by the Commission for revocation of the Licence, in so far it is applicable, shall be in the same manner as provided in the Conduct of Business Regulations.
 - (4) Provided that the Licensee shall be given not less than three months notice in writing to show cause against the proposed revocation and the notice to show-cause issued to the Licensee shall clearly state the grounds on which the Commission proposes to revoke the Licence.
 - (5) If the Commission decides to revoke the Licence, the Commission shall communicate the order of revocation to the Licensee stating the effective date from which such revocation shall take effect.
 - (6) The Commission may instead of revoking the Licence pass any other order imposing temporary ban under such terms or conditions as it may consider appropriate subject to which the Licensee shall be permitted to operate thereafter.
 - (7) Where the Commission has given notice for revocation of Licence, the Licensee may, after prior approval of the Commission, sell the undertakings of the Licensee to a person who is found eligible by the Commission for grant of Licence, without prejudice to any proceeding which may be initiated or any penalty which may be imposed against the person whose Licence is revoked.

29 Dispute Resolution

- (1) The Commission shall adjudicate on the dispute or nominate person(s) as arbitrator(s) to settle disputes between the Trading Licensee and any other Licensees or between the Trading Licensee and a generating company or between a Trading Licensee and an open access consumer in pursuance of Clause (f) of

Sub-section (1) of the Section 86 read with Section 158 of the Act and the Regulations of the Commission.

- (2) The proceedings for adjudication and settlement of disputes under clause 1 above may be commenced and conducted by the Commission or the disputes may be referred to the arbitration of others, as the case may be, in accordance with the Conduct of Business Regulations specified by the Commission.

30 Contravention by Licensee

The Commission may pass such orders as it thinks fit in accordance with the provisions of the Act and these Regulations if there is a contravention or likely contravention of the terms and conditions of Licence by the Licensee.

31 Expected Revenues, Tariffs and Trading Margin

- (1) The Trading Licensee shall calculate the expected revenue from charges which it is permitted to recover as a trading margin if considered necessary, in accordance with the provisions of the Act, the Regulations of the Commission, the tariff terms and conditions and other guidelines, orders and directions issued by the Commission from time to time.
- (2) The Commission may intervene to regulate the tariff or trading margin of a proposed agreement for the purchase or sale of electricity, if petitioned to do so by an Open Access Consumer or Distribution Licensee under the Conduct of Business Regulations.
- (3) If the Commission chooses to intervene on a proposed agreement, the Trading Licensee is under no obligation to execute the agreement and may not be ordered to do so by the Commission.
- (4) The Commission may issue such directions as it considers appropriate to a Trading Licensee if such Licensee enters into any agreement leading to abuses of its dominant position or enters into a combination which is likely to cause or causes an adverse effect on competition in electricity industry, and the Licensee shall comply with such directions.

CHAPTER-6 MISCELLANEOUS CONDITIONS

32 Miscellaneous Conditions

- (1) All issues arising in relation to interpretation of these General Conditions and as to the terms and conditions thereof, shall be a matter for the determination of the Commission and the decision of the Commission on such issues, shall be final, subject only to the right of appeal under Section 111 of the Act.
- (2) The Commission may at the time of grant of Trading Licence, waive or modify the application of any of the provisions of these General Conditions, if it is in the public interest to do so in the opinion of the Commission, to be recorded in writing, either in the order granting the Licence or by Special Conditions made applicable to a specific Trading Licensee.
- (3) The General Conditions contained herein shall apply to all applicants for grant of Trading Licence after the coming into force of the Act and also to all deemed Trading Licensees under Section 14 proviso first, second, third and fifth of the Act.

33 Issue or Orders and Practice Directions

Subject to the provisions of the Electricity Act, 2003 and these Regulations, the Commission may, from time to time, issue orders and practice directions in regard to the implementation of these Regulations and procedure to be followed and various matters, which the Commission has been empowered by this Regulation to direct, and matters incidental or ancillary thereto.

34 Power to Remove Difficulties

If any difficulty arises in giving effect to any of the provisions of these Regulations, the Commission may, by general or special order, do or undertake or direct the Licensees to do or undertake things, which in the opinion of the Commission is necessary or expedient for the purpose of removing the difficulties.

35 Power to Amend

The Commission may, at any time, add, vary, alter, modify or amend any provisions of these Regulations.

36 Repeal and Saving

- (1) Save as otherwise provided in these Regulations, the Joint Electricity Regulatory Commission for the States of Manipur & Mizoram (Procedure, Terms and Conditions for Grant of Intra-State Trading Licence and other Related Matters) Regulations 2009 is hereby repealed.
- (2) Notwithstanding such repeal, all proceedings and actions taken and orders passed by the Commission or by any authority or Committee under the Regulations or the Orders so repealed, exercising or purporting to exercise jurisdiction under such Regulations or Orders shall be deemed to be as good and valid in law as if it has been so taken and made under the relevant provisions of this Regulations or the Order, as the case may be.

By order of the Commission
